Comments/Observations:							
Decision:							
Director of Transport, Environment and Planning in consultation with Executive Member for Transport agreed to approve the works at the junction of Front Street and Green Lane, Acomb that:							
<ul style="list-style-type: none"> - Replace life expired traffic signal equipment and infrastructure - Refurbish the civil construction elements of the junction - Make minor alterations to the layout of the junction 							
The reason for these works being to ensure that the junction can continue to be operated and to implement minor improvements that are not more significant than the core refurbishment works.							

Decision Made by: James Gilchrist, Director of Transport, Environment and Planning in consultation with the Executive Member for Transport.
