2. Corporate Governance Performance Indicators Update

- 2.1 The performance indicators report for the reporting year April 2022 to March 2023 are attached at Annex 1.
- 2.2 The wider set of indicators and datasets are included on the regular external publication of information through York Open Data including those indicators linked to the Council Plan are now published on York Open Data. These are
 - % Of Grade 1 4Cs Complaints responded to 'In Time' which is available at <u>https://data.yorkopendata.org/dataset/kpi-ig22a</u>
 - FOI & EIR % Requests responded to In time (YTD) which is available at <u>https://data.yorkopendata.org/dataset/kpi-foi02-01</u>
- 2.3 We continue to work with internal audit to provide improved quality assurance and monitoring of FOI, EIR and complaint responses which will assist the Corporate Governance Team (CGT) to identify in a

timelier way, specific support, and guidance to managers across the council. We will provide an update on this work in the full year report for Corporate Governance which will come to the relevant future Committee.

- 2.4 Complaints about council services are dealt with under the council's corporate procedure for Complaints, Concerns, Comments and Compliments (the 4Cs). This procedure was designed using the guidance and good practice specified in the statutory procedures and by the Local Government and Social Care Ombudsman (LGSCO) and Housing Ombudsman Service (HOS).
- 2.5 Further to the indicators in Annex 1, the below table shows the quarterly figures for corporate complaints covering April to December for 2022/2023 alongside the total figures for 2021/2022. Though there has been a decrease in the number of both grade 1 and grade 2 corporate complaints received compared to the previous quarters, we continue to maintain an improved % of both grades of corporate complaints, being responded to in time compared to 2021/2022. The CGT continues to work across the council to maintain this improvement.

There has been improvement in the number of children's social care complaints responded to in time and a fall in the number of adults social care complaints responded to in time. The ICO publishes their decision notices and full reports on their website.
- 3.2 From date of the previous report to Committee up to the date of preparing this report on 27th February 2023, there were four published decision notices. The summary of these is at Annex 2 and the full reports from the ICO on these cases, can be found at

- 4 were closed after initial enquiries as out of the jurisdiction of the Ombudsman
- 7 were closed after initial enquiries with no further action
- 1 was closed after initial enquires as the council had already taken satisfactory action to address the matter, and the injustice was not significant enough to justify the LGSCO's continued involvement in the case
