

<u>Directory of Services to Support People to Stay Well in Their</u> <u>Communities Over the Winter – Information for Health and Care</u> <u>Professionals</u>

The below table includes a directory of support services, aimed at supporting the public during the winter months, with a specific focus on community and frailty elements.

Health and care professionals can efficiently guide individuals towards the assistance they require, fostering a resilient and healthy community during the challenging winter season. This resource highlights the support available to York residents to navigate winter with confidence and ensuring that help is readily available when needed the most.

2.Adult Social Care Emergency Duty Team	 Names of Service: Contact the Emergency Duty Team for an urgent social care assessment and support outside of normal office hours. They provide advice and guidance, and carry out urgent assessments of adults, young people and children. Eligibility: All social care, housing and homelessness emergencies Opening hours: Monday to Thursday: from 5.00pm to 8.30am Weekends: from 4.30pm on Friday to 8.30am on Monday Bank Holidays: 24 hours a day
3.Age UK Out and About Service	Name of service: Age UK Out and About Service Providing support for 6-8 weeks post discharge, helping frail and elderly people to integrate back into their communities, reducing isolation and loneliness and admission avoidance.

	 Eligibility: frail and elderly people How to make a referral: this service is free of charge. You can refer directly by calling Information and Advice service on 01904 634061. Opening hours: 9:30- 3:30 pm Monday to Friday
	• Telephone/email contact: 01904 634061, <u>firstcall@ageukyork.org.uk</u> For more information please visit the website <u>Age UK website</u>
4.Asylum Seekers support	• Name of service: Asylum Seekers support to some of our most vulnerable patients and families with children. To proactively manage their care, the ICB has commissioned bespoke support via Nimbuscare which provides a specialist in-reach service to manage what are often complex needs for these people.
	 Eligibility: Asylum Seekers staying at hotel accommodation in York.
	How to make a referral: Patients cannot be referred into this service.
	Opening hours: Monday-Friday 8-8pm
	• Telephone/email contact: <u>01904 943 690,</u> <u>nimbuscare.operationalservices@nhs.net</u> . to find out more please visit <u>Nimbus care</u>
5.Be Independent	• Name of service: Be Independent helps citizens to live independently by bringing emergency care and specialist equipment to their home; services can play a key role in supporting their better health and care, and to maintain their own independence, in York.
	 Eligibility: anyone needed specialist equipment to live independently
	 How to make a referral: Be independent professional partners can refer customers <u>here</u>

	 Opening hours: General enquiries: 9.00am to 5.00pm, Monday to Friday Telephone/email contact Telephone: 01904 645000, email: be.independent@york.gov.uk Find out more about what Be Independent offers including: York Telecare Response Service Equipment Loan Service
6. Cardiac Prevention and Rehabilitation Team	 Name of service: Cardiac Prevention and rehabilitation Team Cardiac Rehabilitation is a service provided by clinical nurse specialists and a specialist physiotherapist following a diagnosis of a heart condition (acute or elective). Patients and their families are provided with up to date information and support to help with their recovery from both a physical and psychological perspective, with the overall aim of getting people back to 'normal' and reducing further heart complications in the future.
	 Eligibility: Post MI/ heart surgery/ TAVI / Stenting procedures How to make a referral: email <u>yhs-tr.crehab@nhs.net</u> Opening hours: 08.00-16.00 Telephone/email contact: 01904 725821 (Monday to Friday, excluding bank holidays)
7. Community Diagnostic Centres	 Name of service: The new Community Diagnostic Centre (CDC) at Askham Bar Community Care Centre, York, and offers a range of services to help diagnose life-threatening conditions, such as cancer and heart problems, more quickly. Provided in partnership between York and Scarborough Teaching Hospitals Foundation Trust and Nimbuscare, the CDC offers a broad range of diagnostics, including checks, scans and tests which patients can be referred to by their GP. Askham Bar is providing: CT – mobile

2.	MRI – mobile
3.	Dexa
4.	NOUS
5.	ECHO
6.	Phlebotomy (via Nimbuscare)
7.	Spirometry / Feno (via Nimbuscare)
8.	ECG (via Nimbuscare)

10.	Holter Fitting and monitoring
How	to make a referral:
IMAG	SING
•	Trust referrals: For all imaging from primary care, refer as usual electronically and the Trust will allocate to the main site or CDC, dependent on the information provided in the referral. and the closest suitable site to the patient's home address (unless requested otherwise). Please put in up-to-date contact details for the patient. Results will be returned electronically to the surgery of the referring clinician.
•	Nimbuscare Provided Modalities : via email to <u>nimbuscare.cdc@nhs.net</u> Referral information should include: Referral Modality, NHS Number and preferred contact number for patient. Results will be sent back via S1 or EMIS to the patient's registered GP practice.
PHL	EBOTOMY at Askham Bar.
	This service is for all patients that require blood testing. GP requires to complete the form on ICE send it to the patient. There is no need to collect blood forms in advance. An appointment can then be booked at the CDC by calling 01904 943690. Service hours are Monday to Friday 8:00-18:00.
-	ning times
	centre is open Monday to Friday between 8am to 6pm. canning is also available on Saturdays between 8am to mid-
For r	nore information about CDCs please see:

	20240917_CDC Comms Document.do
8.Community Response Team	• Name of service: The York Community Response Team (CRT) is a large multi-disciplinary health care team consisting of nurses, therapists, and support workers. The team provide assessment, short term intervention, rehabilitation, reablement and recovery, supporting both discharge and admission avoidance.
	 The same team also delivers Urgent Community Response (care with 2 hours) and supports the Frailty Virtual Ward, however the CRT element is typically care provided within 1-2 days for a period of around 6 weeks.
	• Eligibility: Patients 18 years and over, within their own home environment (including care homes), registered with a York GP (except Pocklington).
	How to make a referral: Call the CRT telephone number below
	 Opening hours: 8am – 8pm, 7 days per week, 365 days per year
	• Telephone/email contact: 01904 721343 / 07943876398
9. Continence Advisory	 Name of service: Continence Advisory Service: Selby and York:
Service: Selby and York	 Comprises of a team of nurses and physiotherapists who are specialists in the treatment and management of bladder and bowel conditions including urinary incontinence and bowel incontinence. Aim is to treat and cure bladder and bowel dysfunction where possible. When all possible improvement has been achieved the team aims to manage any residual problems as best as possible to maintain each individual's comfort and dignity. The team provides training for community based health and social care staff to broaden and maintain knowledge of continence care; for people in their own homes and in
	residential care.

	 The team, also acts as a resource for queries and specialist information regarding continence for all health and social care staff within North Yorkshire and York and the East Coast. Eligibility: provide services for adults and older people across North Yorkshire running accessible clinics in local areas and providing home visits when required. How to make a referral: Referral is open in most localities, although a letter if preferred from a GP outlining the person's symptoms and previous medical history. Patients may be referred from their GP or other health professional.
	<u>Continence assessment and reassessment documents can be</u> <u>found here.</u>
	 Opening hours: service operates Monday to Friday 8.30am - 5.00pm (excluding public holidays)
	Telephone/email contact: Telephone: 01904 721200
10. Dementia Forward	• Name of service: Dementia Forward (DF) is the leading dementia charity for York and North Yorkshire that provide support, advice and information to anybody affected by dementia across the county, and have developed a comprehensive range of services; all with people living with dementia at their heart.
	Eligibility: people living with dementia
	How to make a referral: via DF service
	 Opening hours: Mon-Fri 9am-4pm
	 Telephone/email contact: helpline on 03300 578592 or by email to info@dementiaforward.org.uk more info on website: https://www.dementiaforward.org.uk/
11. District Nursing	 Name of service: District nurses supporting patients living in their own homes, including residential care homes and meet the definition of housebound are able to access the service. Housebound is an individual who is unable to leave their home environment due to a physical or psychological illness. An

	 individual is not housebound if they are able to leave their home environment with minimal assistance from other e.g. family, friends or Carers to attend the Doctor, Dentist, Hairdresser or leisure venues. Eligibility: Each patient will be individually assessed to determine their eligibility for home nursing visits by a qualified community nurse". This decision is based on individual needs and clinical judgement. Care needs typically addressed by the district nursing team include: end of life/ palliative care wound care/leg ulcer management catheter management administration of medication. Care of Hickman/PICC lines and discontinuation of chemo pumps This list is not exhaustive, referrals will be triaged, refers will be advised if patients are not suitable for the district nursing service How to make a referral: via DN team Opening hours: 24 hour service accessed via single point of access Telephone/email contact: 01904 721000
12.Extra Discharge Support Service	 Name of service: Age UK Home From Hospital: A free service enabling older people to be more confident and comfortable at home after their hospital stay, support for up to six weeks for older people in York when they leave hospital. Eligibility: those aged 60 or over who live in the York area and who have either: • Been in A&E • Had a day procedure • Had a hospital stay • Have CYC reablement support. Unable to offer support for • those aged under 60 with some complex long term care needs. How to make a referral: refer directly via Age UK Opening hours: Monday - Eriday 9:30-3:30pm

25. One Team	• Name of service: The One Team is multi-provider collaboration that meets daily to collaborate in the provision of support to enable patients to be discharged to their own homes. The team consists of CRT, YICT, Reablement and Social Care, Domiciliary Care Providers, voluntary care services supporting discharge and the York Hospital Discharge Team.
	Eligibility: Inpatient at York Hospital suitable for discharge to home with support.
	• How to make a referral: N/A – all suitable patients at York Hospital reviewed routinely.
26. Pharmacy First	 Name of service: The Pharmacy First service builds on the NHS Community Pharmacy Consultation Service (CPCS) which has run since October 2019. The service enables patients to be referred (not signposted) into community pharmacy for a minor illness or an urgent repeat medicine supply. The new Pharmacy First service, launched 31 January 2024, enhances what was CPCS and introduces a third element to the service – 'Clinical Pathways', which enables community pharmacies to complete episodes of care for 7 common conditions following defined clinical pathways. Pharmacy First 7 common conditions: Uncomplicated UTI – women 16-64 years Shingles – 18 years and over Infected Insect Bites – 1 year and over Sinusitis – 12 years and over Acute Otitis Media – 1 to 17 years
	found at <u>Community Pharmacy advanced service specification: NHS</u> <u>Pharmacy First Service</u>

When a patient visits a community pharmacy with one of these conditions, the pharmacist will offer the patient advice, treatment or refer the patient to a GP or other healthcare professional if needed. Guidance on escalation is found within Annex D shared by the ICB. If you require a copy, please contact:

hnyicb-ny.pharmacycontracts@nhs.net.

- Pharmacy First referrals for minor illness (previously Community Pharmacist Consultation Service (CPCS)).
- Pharmacy First urgent repeat medicines supply service.

Eligibility:

- The Clinical Pathways element of Pharmacy First (7 common conditions) can be accessed by the age ranges listed above and further information can be found at Community Pharmacy advanced service specification: NHS Pharmacy First Service and appendix 1 Aide-Memorie for Pharmacy First.
- Minor Illness referrals for Pharmacy First can be accessed by patients over 1 year old. Further information can be found in Appendix 2 which includes what conditions are suitable for referral.
- Urgent Repeat Medicines Supply for Pharmacy First is for patients who need urgent access to their repeat medication outside of their GP practice opening times and bank holidays. This does NOT include Controlled Drugs.

How to make a referral:

- Clinical Pathways Pharmacy First (7 common conditions) are accessed by a digital referral from a GP practice or NHS 111 or a patient visiting a participating community pharmacy with one of the 7 common conditions e.g. via PharmRefer.
- Minor Illness Pharmacy First referrals are accessed by a digital referral from a GP practice or NHS 111. A digital referral is required to access this service as outlined in the <u>Community</u> <u>Pharmacy advanced service specification: NHS Pharmacy First</u> <u>Service</u>- e.g. via PharmRefer.

	 back to their GP practice as two pathways can be explored under a digital referral. If the patient is with a SystmOne practice, please see Appendix 3 for how a referral is made. If the patient is with an EMIS bractice, please see Appendix 4 for how a referral is made. 27. PractitionersGuide to CarersSupport in York	Practitioners Guide To Carers Support in York

	One document with all the headline information that Health teams need to identify, support and signpost carers in York.
28. Rapid Assessment Therapy (RATS)	• Name of service: (RATS) Rapid Assessment Therapy team are a group of occupational therapists' physiotherapists and social workers who work within ED and cover the frailty FSDEC and urgent care centre.
	• Eligibility: The RATS team focus is admission avoidance rapid assessment and discharge. They are able to access support services and step-up patients in the local area via CRT, IPU or temporary respite. They have greater access to these services than other therapy teams in the acute setting.
	• How to make a referral: They team take referrals from each area via a morning and afternoon handover but can also screen and see patients who are frail or have mobility issues
	• Opening hours: The RATS team operate on a 7 days service 8:00 till 20:00 cover.
	• Telephone/email contact: To contact any members of the RATS team for advice or to handover patients who have attended ED, you can contact on 01904 726656.
29.Reablement (Adult Social Care Intensive	• Name of service: Reablement can help people who need support with daily activities because, for different reasons, they are finding it more difficult to do them.
Support Service)	 Often provided when a person is discharged from hospital and needs support to get back to their usual level of independence ('step-down'), or when they have experienced a stressor event in the community and require support for a time-limited period to get back to their baseline ('step-up').
	• Eligibility: The service is for anyone over the age of 18 who is eligible for social care support and who would benefit from a period of reablement. It is not suitable for people who already have a long term care provider or people who have a serious illness which requires specialist care and pain support (palliative care).

How to make a referral: refer directly via Adult Social Care
Opening hours: Monday-Friday 9-5pm
 Telephone/email contact: Adult Social Care on 01904 555111 <u>adult.socialsupport@york.gov.uk</u>.
emergency outside office hours , or at the weekend contact Emergency Duty Team for advice on 0845 0349417.
 For more information please see guide attached: <i>Reablement_print_art</i> work_file.pdf
• Name of service: Social Prescribing is a term which means linking people to non-medical sources of support to improve people's health and wellbeing. Social Prescribers are not Support Workers, Counsellors, Social Care or Mental Health Workers – they support patients to connect with these services
Primary Care Link Workers are part of the Social Prescribing Team at York CVS. The Primary Care Link Workers are Social Prescribers based in GP surgeries across York, working alongside individuals to get to know them, and ultimately help them improve their health and wellbeing.
 Eligibility: people with social issue, (e.g. loneliness, isolation, financial problems), social prescribing helps provide individuals with an alternative to medical intervention. The team supports people aged 18+ living in the area served by City of York Council.
 How to make a referral: via GP practice or self-referrals. Opening hours: Monday-Friday 9-5pm
 Telephone/email contact: 01904 437911 More information on the <u>York CVS</u> website.
 Name of service: Services supported by Single Point of Coordination re: York Hospital's Macmillan Community Palliative Care Clinical Nurse Specialist service St Leonard's Hospice@Home service

Carer Support	 St Leonard's Sunflower Wellbeing Hub
service	 St Leonard's Carer Support service
	 St Leonard's Bereavement Support service (call our
	dedicated bereavement phone number 01904 777 760)
	 Marie Curie night sit referrals and allocations
	 Eligibility: The referral criteria to access Carer Support is essentially:
	 Patients must be 18 years of age or above and have a life limiting condition.
	\circ All referrals must be Fast Track funding eligible.
	 Patients must consent to a referral being made to the Carer
	Support Service or a Best Interests decision made on their behalf.
	 Patients must be registered and assigned to the District Nursing service.
	\circ All patients must have a carer in need of a break, whom
	otherwise would not be able to get out due to their caring
	responsibilities.
	• How to make a referral: via Single Point of Coordination team
	• Opening hours: The service operates daily from 8.00am until midnight.
	The Hospice@Home service is extending from 8am – 12mn to a full 27/7 service from January 2024 to enable us to care for more patients in their own homes. This is a responsive service that prevents admission to hospital but also enables rapid discharge home to die if patients are identified in ED. Contact with SPOC to co-ordinate support as an alternative to 999 is crucial.
	 Telephone/email contact A single point of co-ordination for end of life and palliative care advice and support, phone number 01904 777 770.

	Name of service: Multi-disciplinary team (MDT) meetings:
32. TEWV:	Name of Service. Multi-disciplinary team (MDT) meetings.
Multi- disciplinary team (MDT)	• MDT meetings have been created to allow professionals from a wide range of services to come together to discuss and meet their client's needs.
	• The meetings cover a variety of physical, mental and bio- psychosocial needs. This can help tailor and formulate a plan to meet someone's overall needs, rather than a specific need in isolation.
	• By professionals coming together to discuss cases they can identify what treatment / approach would be most effective and often discover new and alternative approaches.
	• The meetings can also ensure multiple needs are met at one time, it's a coordinated response with clients being referred to the right service at the right time rather than waiting for referrals to other services further down the line or discovering an initial referral wasn't appropriate.
	 Meetings are held twice monthly, diary slots offered. For more information contact <u>tewv.transformationnyy@nhs.net</u>.

34. TEWV: First Contact Mental Health Practitioners	• Name of service: The First Contact Mental Health Practitioner Team (FCMHP) is a multi-disciplinary health care team consisting of nurses, occupational therapists, and social workers. The team provide assessment, short term intervention, and appropriate signposting within Primary Care.
	The Team are based across North Yorkshire and York, and have practitioners based in GP Practices.
	 Eligibility: Patients that are not currently under a Secondary Mental Health Team that are needing support for their Mental Health.
	 How to make a referral: Contact your local GP Practice to book an appointment with the FCMHP.
	Opening hours: Vary depending on local GP Practice.
	 Telephone/email contact: Local GP Practice Number, pleases see document attached
	FCMHP Surgeries and Contact Informati
	Name of service: The Urgent Community Response Team (UCR) provides urgent care to people in their homes (including

35. Urgent Community Response Team	care homes) to avoid hospital admissions, and care is typically provided within 2 hours.
	 Conditions typically referred to Urgent Community Response Teams include falls (with no apparent serious injury requiring hospital admission), reduced function/mobility/decompensation of frailty/confusion/delirium caused by a minor stressor event such as a UTI, cellulitis, chest infection.
	• Eligibility: Over the age of 18 experiencing a health or social care crisis that requires urgent treatment or support within 2 hours and can be safely delivered in the home setting. Patient's must be registered with a York GP to access this service.
	• How to make a referral: UCR referrals are made via the CRT single point of contact. This is a clinician-to-clinician triage conversation to establish suitability of referral for UCR service.
	 Opening hours: 8am – 8pm, 7 days per week, 365 days per year
	• Telephone/email contact: 01904 721343 / 07943876398
36.Virtual Frailty Ward	Name of service: The Virtual Frailty Ward (Hospital at Home) offers a safe community-based alternative to hospital for patients living with frailty. Patients will be overseen by a Consultant Geriatrician with daily monitoring, and treatments provided at home by a multidisciplinary team to enable patients to remain independent whilst recovering.
	 Referral inclusion criteria: Aged 65+ and in acute crisis or in need of early supported discharge Rockwood score of 4 or more Registered with a York GP Can independently mobilise to the toilet Can be safely managed at home
	 Referral exclusion criteria: Cannot be seriously injured Not be in a mental health crisis

	Cannot need end of life care.
	 How to make a referral: The ward take verbal referrals only as it is important to have a discussion with the referring clinician. This is to ensure the ward can meet the patients' needs both clinically and in a timely way.
	If you feel your patient meets the FVW criteria and would benefit from being cared for by the FVW team rather than being admitted to hospital, please call the Frailty Virtual Ward office on 01904 721483.
	The ward can accept referrals Monday to Friday between 8am and 4pm. For patients referred in the morning we will see the patient that afternoon, for patients received in the afternoon we will see the patients the next morning.
	Patients should consent to being referred to the FVW and should be safe to manage independently overnight.
	On acceptance to the ward, a pop up box will appear in the patient's Systmeone record to confirm the admission.
	 Opening hours: 24/7. Referrals accepted Monday to Friday between 9am and 4pm
	• Telephone/email contact: If you think a patient would benefit form care from the Virtual Frailty Ward, please call the Virtual Frailty Ward office on 01904 721483. The ward also welcomes any clinical queries.
37.York Integrated Care Team	• Name of service: The York Integrated Community Team (YICT) is a multi-disciplinary Anticipatory Care Team that provides an initial Comprehensive Geriatric Assessment and then regular reviews thereafter to ensure concerns identified are addressed early to prevent crisis situations.
	• An agile, holistic, empathetic & personalised response is at the core foundation of what YICT offer. YICT also provide an in- reach service to expediate and support discharges from York Hospital when capacity allows, and patients on the YICT caseload can get in touch with the team directly when in need of support.

	• Eligibility: The most frail and vulnerable residents in York.
	How to make a referral: Refer directly via YICT team
	 Opening hours: YICT are available 8-9pm, 7 days a week to support patients coming from RATS in ED or as part of the In- reach service.
	 Telephone/email contact: 01904 928844, nimbuscare.yict@nhs.net
