

Audit and Governance Committee

29 January 2025

Report of the Director of Finance

Portfolio of the Executive Member for Finance, Performance, Major Projects, Equalities and Inclusion

Scrutiny of the Treasury Management Strategy Statement and Prudential Indicators for 2025/26 to 2029/30

Summary

1. This report is a statutory requirement setting the strategy for treasury management and specific treasury management indicators for the financial year 2025/26. The strategy is set against a context of projected interest rates and the Council's capital expenditure programme and leaves investment criteria and limits largely unchanged.
2. The Council has significant investments and borrowing which bring with them financial risk including the loss of invested funds and the revenue impact of changes in interest rates. It therefore requires an overall strategy as well as practices and procedures to identify, monitor and control the risks.

Recommendations

3. Audit and Governance Committee is asked to scrutinise the treasury management strategy statement and prudential indicators for 2025/26 to 2029/30 at annex A.

Reason: So that those responsible for scrutiny and governance arrangements are properly updated and able to fulfil their responsibilities in scrutinising the strategy and policy

Council Plan

8. The treasury management strategy statement and prudential indicators are aimed at ensuring the council maximises its return on investments and minimises the cost of its debts whilst operating in a financial environment that safeguards the council's funds. This will allow more resources to be freed up to invest in the council's priorities, values and imperatives as set out in the Council Plan.

Implications

Financial

9. The security of council funds is a priority, maximising returns on investments and along with minimising the finance costs of debt.

Legal Implications

10. Treasury Management activities have to conform to the Local Government Act 2003 and statutory guidance issued under that Act, the

Local Authorities (Capital; Finance and Accounting) (England) Regulations 2003 (SI 2003/3146), which specifies that the Council is required to have regard to the CIPFA Prudential Code and the CIPFA Treasury Management Code of Practice and also the Local Authorities (Capital Finance and Accounting) (England) (Amendment) Regulations 2008 (SI 2008/414), which clarifies the requirements of the Minimum Revenue Provision guidance.

Other Implications

11. There are no other implications as a result of this report

Risk Management

12. The treasury management function is a high-risk area because of the volume and level of large money transactions. As a result of this the Local Government Act 2003 (as amended), supporting regulations, the CIPFA Prudential Code and the CIPFA Treasury Management in the Public Services Code of Practice (the code) are all adhered to as required.
