

Scrutiny Management Committee

24th March 2009

Report of the Head of Civic, Legal, Democratic Services

Update on Implementation of Recommendations of Previous Scrutiny Reviews

Summary

1. This report provides Members with update information on the implementation of recommendations made as a result of a previously completed scrutiny review on Reducing Carbon Emissions.

Background

2. At a previous meeting of Scrutiny Management Committee, Members requested an update on the implementation of the recommendations made as a result of all completed scrutiny reviews since 2004, which were subsequently approved by the Executive. Many have been presented and those where implementation has been completed have been signed off.

Consultation

3. Relevant officers have provided update information on the recommendations arising from the review and will be in attendance at the meeting to answer any questions.

Analysis

4. The review on Reducing Carbon Emissions was completed in September 2006. Members of SMC have signed off many of the recommendations already and this report presents updated information on those that are still outstanding. The update on the implementation of the recommendations is provided at Annex A to this report.

Options

5. With regard to Annex A, Members may choose to:
 - a. Sign off those recommendations where implementation has been completed, or
 - b. Request further updates to clarify any outstanding recommendations

Corporate Strategy

6. The process of monitoring the implementation of approved recommendations will evidence our stated value to 'encourage improvement in everything we do'.

Implications

7. There are no known Financial, Human Resources, Equalities, Legal, ITT or other implications associated with the recommendations in this report.

Risk Management

8. In compliance with the Council's risk management strategy, there are no known risks associated with this report.

Recommendations

9. Members are asked to note the contents of this report and agree which recommendations arising from the Reducing Carbon Emissions scrutiny review can be signed off.

Reason: To raise awareness of those recommendations which have still to be implemented.
