Expediency

- Power to take action discretionary and in the public interest
- Should be only used where it is expedient
- Appropriate to the scale and impact of the breach
- Maladministration if Council fails to take effective action where plainly necessary

Complaints- The Process

- Complaint received and logged by LPA
- Acknowledge within 3 working days*
- Check planning register and site history
- Establish facts site visits (sometime with specialist officer), discuss with complainant/ owner
- May serve a PCN
- Decide on appropriate action
- * See website pages for detail of timescales for initial investigation

Types of Action

- Take no further action where permission exists, development does not require consent, or breach minor with no harm to others
- Request retrospective application to regularise development, where conditions on an approval or amendment would suffice

Types of Action (Cont'd)

• Negotiate a solution to mitigate impact or secure removal/cessation

• Formal action to stop/remove/mitigate impact of a breach, with a Notice served. Notice specifies action required to correct or mitigate breach.

Factors affecting Timescales

- Need to collect relevant, sound and satisfactory evidence
- Negotiations to resolve a complaint without formal action
- Submission of retrospective application
- Submission of appeal against a formal notice
