

Annex E: Technical Papers

The following technical papers provide information to supplement the existing Core Strategy bibliography and include the Annexes relating to the Sustainability Appraisal. These are available in the Members' Library, from the author of the report and on-line.

1. **Strategic Housing Land Availability Assessment: Final Report** (January 2011), City of York Council.
2. **Renewable Energy Strategic Viability Study for York** (December 2010), AEA.
3. **Historic Character and Setting** (2011), City of York Council.
4. **School Playing Fields Assessment, City of York** (2010), City of York Council.
5. **Green Corridors** (2010), Natural England and City of York Council.
6. **Transport** (2011), City of York Council.
7. **Houses in Multiple Occupation** (2011), City of York Council.
8. **Sustainability Appraisal Technical Annexes:**
 - Annex 2: Submission Policies and Associated Sustainability Appraisal Matrices
 - Annex 3: Preferred Options Sustainability Appraisal Analysis.
