## **Section 1: The service**

## Service description

The Public Services division covers six major functions:

#### **Benefits Service**

Calculate and pay Housing Benefit and Council Tax Benefit for 12,000 claimants totalling £33.2m. Maximise benefit take-up and provide a welfare benefits advice service. Prevent and detect fraud through regular interventions and visits. Provide an enquiry service to customers. Based at City Finance Centre with reception points in Library Square and Acomb.

#### **Revenues Service**

Bill and collect the Council Tax and Business Rates for 83,000 domestic and 5,600 business properties for debt totalling £70m and £76m respectively. Maintain accurate property valuation records. Pursue customers for non-payment. Provide a cash collection and banking service for the whole Council. Based at City Finance Centre.

#### **Registration Service**

Provide registration services for births (3,200 p.a.), deaths (2,800), marriages (850) and Civil Partnerships (100). Undertake baby naming, renewal of vows and commitment ceremonies. Provide certificates for historic entries from 1837 onwards. Licence approved premises for marriages and civil partnerships. Service falls under the remit of the Council and the Registrar General. Delivered from 56 Bootham, ASDA superstore at Monks Cross and York Hospital.

#### **York Customer Centre (YCC)**

Centre will provide a single point of contact for telephone and email enquiries offering access to information, raising Service Requests and signposting callers to the appropriate destination. Currently providing a service for three functions: York Pride Action Line (over 6,000 calls per month), Switchboard (over 50,000 calls per month) and Planning & Building Control. Proposed extensions to services include Revenues (late 2006/07) and Benefits services (in 2007/08). Based at Little Stonegate

#### **Systems Support and Development**

Provide user support for a number of corporate IT systems – FMS, Delphi, Northgate Revenues & Benefits and Anite @ Work document management system. Provide user support for Resources IT systems – QPR, Magique, Galileo, Incase, Radius Icon, Radius ARMS and Technology Forge. Departmental coordination/representation of Resources in key corporate activities – IT Strategy and Corporate Operations Group. Manage and maintain the Council's website, Content Management System and intranet, providing advice on web development work for all directorates. Provide support of the Customer Relationship Management (CRM) system used within YCC. Based at City Finance Centre and Swinegate Court East.

#### **Business Management**

Provide a departmental HR and administrative support service. Manage incoming and outgoing post and electronically scan items (700k p.a.). Handle controlled stationery. Co-ordinate Health & Safety and Admin Accommodation issues. Based at City Finance Centre.

## Service objectives

**SO1** To deliver continuous service improvement whilst working within the legislative framework and performing to the national benefit standards set by the DWP

**SO2** To maximize the income due to the Council in the form of Government grants, taxation, subsidy and to secure DWP funding

**SO3** To pay benefit to the right people, for the right amount at the right time

**SO4** To promptly and accurately bill and collect money in respect of the Council Tax and Business Rates ensuring that customers claim discounts, exemptions and reliefs to which they are entitled

SO5 To reduce benefit overpayments and improve the rate of recovery

**SO6** To monitor and maintain a high level of customer satisfaction with the service

**SO7** To maximize benefit take-up, in consultation with relevant stakeholders, with particular consideration to hard to reach groups and BME (black and minority ethnic) groups

**SO8** To be proactive in preventing and detecting fraudulent abuse of the benefits scheme

**SO9** To communicate with staff effectively and encourage staff development

**SO10** To use performance management to monitor workloads and productivity in order to maximise the use of resources and aid planning

**SO11** To be the premier civil ceremony venue in the country

**SO12** To develop and deliver improved customer service to customers covering a range of services within the York Customer Centre

SO13 To lead on all corporate customer service initiatives

SO14 Improve stakeholders accessibility to Council services

**SO15** Ensure that the IT resource is fit for purpose and that development, replacement and utilization is focused on key Council objectives.

**SO16** Make key contributions to change management projects, for example <a href="mailto:easy@york">easy@york</a> and Admin Accommodation review

SO17 To provide support and guidance to staff on Health and Safety, within legislative guidelines

**SO18** To monitor and report sickness absence and provide HR support for the Resources directorate

# **Section 2: The Drivers**

|     | Driver type  | How might this affect our service  | Sources   |
|-----|--|--|---|
| Ext | ernal drivers  |  |   |
| 1.  | Department of Works and Pensions (DWP) legislation changes including introduction of Local Housing Allowances (LHA) and changes to Performance Standards | 1. LHA national roll-out starts April 2008 so Benefits Service needs to start implementation work in 2007/08 including extension of payments direct into bank accounts.  All Performance Standards require close monitoring to ensure we maintain a "Good" Comprehensive Performance Assessment (CPA) rating. Changes to the Security Performance Measures changes emphasis from "interventions" to "reductions" requiring changes in working practices and seeking to influence customer behaviour in   | www.dwp.gov.uk Welfare Reform Bill  |
| 2.  | Registration On Line (RON) for Births, Deaths& Marriages - national implementation   | reporting changes.  2. Experience of the introduction for Civil Partnerships (late 2005) indicates possible initial backlogs if systems are not  | www.gro.gov.uk  |
| 3.  | Lyons Inquiry into Local Government and response from Department of Communities and Local Government (DCLG)  | robust. May need to handle public complaints.  3.Potential changes in balance of funding, new basket of local taxes, Council Tax valuation and streamlining of Council Tax Benefit claims for pensioners. Depending on the outcomes this could have an impact on the structure and delivery of services within Council Tax, Business Rates and Benefits teams.   | www.lyonsinquiry.org<br>www.communities.gov.uk  |
| 4.  | Key Best Value Performance Indicators (BVPIs) (R)  | 4. All Benefits BVPIs are closely monitored to ensure service improvements are realised and CPA rating maintained. Further review of working practices and structure required ensuring that performance does not deteriorate. Improvements in the collection and recovery of both current year and arrears of Council Tax ongoing to ensure increase in the collection rate and improve Collection Fund position (and consequent impact on level of Council Tax)  Note: Government intend to replace BVPIs with new set of national indictors from April 2008 and CPA with | Council Plan Benefit Fraud Inspectorate Audit Commission Guidance DWP Performance Standards  Local Government & Public Involvement in |
| 5.  | Varney review on Service Transformation  | Comprehensive Area Assessment from April 2009.  5. Potential impact across the division in terms of e-channels for customer interaction, mobile working, data exchange, national change of circumstances service and contact centre performance  | Health Bill  Service Transformation, Sir Peter Varney, Dec 2006   |

| O and a section of the section of th |   |   |
|--|---|---|
| Corporate drivers  1. Easy@York Project and extended service provided by YCC (R)   | 1. Further service improvement work within Revenues and Benefits service to identify front/back office split and produce service level agreements. Efficiencies are expected to realise savings of £25k in 2007/08.  Realignment of responsibilities for handling customer calls. Council will offer more customer access channels and self-service options. Increased level of knowledge by front-line Customer Service Representatives will increase first time resolution and improve customer satisfaction.  Systems Support team need to support new technologies within YCC | Customer Access Strategy Easy@york project Functional specifications                          |
| 2. Corporate priority to improve our focus on the needs of customer and residents  | 2. Public Services will play a key role in delivering the actions in the under this priority principally through the opening of the YCC, introduction of interactive services and review of customer standards  | Corporate Strategy<br>2006-2009 and Delivery<br>& Innovation Plans                            |
| 3. Lead role in Benefits take-up   | 3. PSA funded post to achieve target to increase take-up for pension age claimants by March 2008 (Local Area Agreement Outcome HCOP9). Contribute to deliverables under corporate priorities for IE7 and IE 8 (see section 4)   | LPSA Agreement 2005-<br>2008<br>Equality Strategy 2005-08<br>Corporate Strategy 2006-<br>2009 |
| Directorate drivers  |   |   |
| Current budget position  | 1. Budget savings of £228k identified for 2007/08 which will require a stringent review of existing activities and close monitoring of income collection rates and benefit subsidy maximisation. Reduction in staff levels could have detrimental impact on service delivery and key BVPI data Growth bid proposed of £190k for "loss" of subsidy arising from placement of Homeless B&B cases  | Revenue Budget<br>2007/08   |
| 2. Sustainability Agenda   | 2. Leading on the implementation of the Green Office Policy within Resources. Support for Director of Resources to achieve corporate priority on "improving efficiency and reduce waste"  |   |
| 3. IT Development Plan and system replacement  | 3. Systems team input or project management for FMS, ISIS, Payroll & HR and B stubs (Miscellaneous Income) replacement projects and Corporate DMS project.  |   |
| Service drivers  |   |   |
| IT system enhancements for Northgate Revenues & Benefits and Anite@Work document management system   | <ol> <li>Testing resource needed to implement new HTML frontend (Version 6) and Auto Letters</li> <li>Resources required to submit application. Further work</li> </ol>   | Northgate-IS and Anite<br>Release Notes   |
| 2. Charter Mark application for Registry Office  | on public consultation needed   |   |

# **Section 3: Critical Success Factors (CSFs)**

| CSFs for 2007/08   | Why a CSF?  |
|--|---|
| Improvement In administering benefits Change of Circumstances notifications and New Claims (R)   | Necessary to ensure (a) that BVPIs are not "qualified" in 2007/08 (b) to help maintain a Good Benefits CPA score, (c) to reduce the level of benefit overpayments and minimise the level of local authority error.  There is a proposed legislation change to allow notification of changes to be accepted over the telephone which should positively impact on service delivery and BVPIs  Note: BVPI 78b for Changes processed in 2005/06 was qualified by the Audit Commission and BVPI 78a for New claims qualified in the previous year. |
| Successful operation and support of the Customer Relationship Management (CRM) system within YCC | Critical to ensure improved response to our customers, implement e-enabled services and help satisfy the Customer Access Strategy. Operationally this impacts on the YCC team and is supported by the Systems Support & Development team.   |
| Increase in take-up of benefits for people aged 60+ (LPSA target)                                | Addresses objectives in the Council's Equalities Strategy (see Thriving City theme). Helps secure funding under the LPSA scheme.  |
| Transfer of front office Council Tax and Benefits Service into YCC                               | Successful implementation is important to ensure continuous service delivery. Service improvement work must be completed to redesign the service delivery model and ensure effective links between front and back office.   |

# **Section 4: Links to corporate priorities**

| Improvement Statement (IS)   | Contribution   |
|--|--|
| IS7 – Improve the health and lifestyles of the people who live in York, in | Delivery & Innovation plan action to "increase the benefit take-up of groups whose level of health is the poorest" |
| particular among groups whose level of                                     | whose level of fleatiff is the poolest   |
| health are the poorest   |  |
| IS8 – Improve the life chances of the                                      | Delivery & Innovation plan action to "undertake targeted benefit take up and                                       |
| most disadvantaged and disaffected   | awareness campaigns to support children, young people and families"  |
| children, young people and families in                                     |  |
| the city   |  |
| IS10 – Improve our focus on the needs                                      | Assistant Director (Public Services) is Priority Champion and as such the  |
| of customers and residents in designing                                    | service plays a major role. Key deliverables include transfer of services to                                       |
| and providing services   | YCC, promote more efficient ways for customers to enquire, book and pay  |
|  | for services, review customer standards, review complaints/compliments   |
| IS13 – Improve efficiency and reduce                                       | system, implement transactional website.  Support Director of Resources who is Priority Champion regarding Green   |
| waste to free up more resources  | Office policy within the Directorate. Develop campaigns and targets to obtain                                      |
| waste to free up more resources  | ISO accreditation  |
| IS3 – Improve the actual and perceived                                     | York Pride Action Line within YCC will help to improve response times to   |
| condition & appearance of the city's                                       | customer requests  |
| streets, housing & publicly accessible                                     |  |

# **Section 6: Corporate Issues**

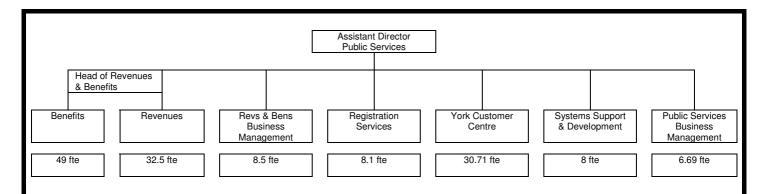

| Actions/Evidence  | Deadline      |
|---|---------------|
| Equalities action/s   |               |
| Targeted take-up work e.g. hard to reach groups, BME, and pension age (LPSA funded)   | March 2008    |
| Increase benefit take-up of groups whose level of health is the poorest   | March 2009    |
| Increase benefit take-up to support children, young people and families   | March 2009    |
| Establish alternative ways for customers to contact the Council through the York Customer Centre and easy@york program. Consult with different client groups about service provision.   | Ongoing       |
| Operational Risk – red risk action/s  |               |
| Failure of the York Customer Centre ensure continuity of service  Need to maintain, review and test Business Continuity Plan  | February 2008 |
| Failure of system to provide accurate and reliable information for benefits and revenues service.   | September     |
| Ensure that full test programs are used. Develop Business Objects and sql reports to enhance existing reports. Develop training packs for benefits overpayments   | 2007          |
| Failure to assess benefit entitlement accurately and within timescales.   | June 2007     |
| Further develop QA role and ensure that training needs are addressed. Develop Training Strategy and Training Plan   |               |
| Failure to achieve council tax collection rate targets  |               |
| Direct impact on budgets and Collection Fund. Develop and test e-forms for use within YCC to ensure accurate billing information is obtained. Ensure monthly recovery timetable is maintained. Roll-out paperless Direct Debit sign-up. Offer web and automated telephone payment options. Liaise with Valuation Office Agency regarding impact of banding appeals following recent "council tax cashback" publicity. | March 2008    |
|   |               |
| Gershon – Efficiency improvement  | 1             |
| Dealing with more customer contacts through York Customer Centre (non cashable)   |               |
| Improvement in the collection of Council Tax (non-cashable). Achieved through increase in taxbase, reduction in voids, effective review and monitoring of discounts, exemptions and reliefs.  |               |
| Improvements in payment transaction costs (non-cashable). Achieved through increase in Direct Debit take-up ("paperless" option introduced) and e-payments.   |               |
| Improvements in the processing of new claims for council tax and housing benefit (non-cashable).  Achieved though improved average days (BVPI 78a) figure and increase in caseload  |               |
| Efficiencies in handling customer enquiries (non-cashable) by increasing the number of webpage hits through the promotion of on-line forms, benefits calculator or downloadable forms   |               |
| Improvements in the efficiency of the administration and recovery of benefit overpayment  |               |
| O   |               |

### **Competitiveness statement**

During 2006/07 the Revenues and Benefits service undertook a full tendering exercise for the provision of, on an ad-hoc basis, off-site processing for council tax, business rates and benefits work. The revenues service is currently in very early discussions with neighbouring authorities and the Regional Centre of Excellence exploring the possibilities for shared or managed service provision of the business rates function.

Key Pls are monitored nationally using data from the DCLG and DWP. The revenues and benefits service undertakes some benchmarking with neighbouring unitary authorities. The benefits service currently uses the National Performance Management Framework and the DWP's online Housing Benefit Operational Database.

## **Section 8: Monitoring and reporting arrangements**

The Public Services Management Team will review progress against the plan quarterly. Formal progress reports will be made twice during the year to the Resources EMAP meeting. QPR performance management system will be updated quarterly (some BVPI data is input monthly) Key PI data and workload statistics for the Benefits and Revenues Service are distributed monthly to the Revenues and Benefits Management Team, Assistant Director, Director of Resources and the Executive Member and copies are made available for all staff.
