25. THE DETERMINATION OF AN APPLICATION BY SCOTTISH AND NEWCASTLE PUB COMPANY (MANAGEMENT) LTD FOR A PREMISES LICENCE SECTION 18(3)(A) IN RESPECT OF MONTEY'S, 129 MICKLEGATE, YORK. (CYC- 019198)

Members considered an application by Scottish and Newcastle Pub Company (Management) Ltd for a premises licence in respect of Montey's, Micklegate, York.

In coming to their decision the sub-committee took into consideration all of the evidence and submissions that were presented to them and determined their relevance to the issues raised and the licensing objectives crime and disorder and public nuisance. The following were taken into account:

1. The application form
2. The Licensing Officers report and her comments made at the hearing. She advised that the application was for a new grant although the premises had been operating under a previous licence which had recently lapsed.
3. The representations made by the Solicitor for the applicant. He advised that the previous licence had lapsed due to the previous holding company being dissolved and that a new licence was being sought as a result. The applicant had already agreed to a number of conditions with North Yorkshire Police and the Environmental Protection Unit (EPU) although some remained outstanding.
4. The representations made by the Solicitor for North Yorkshire Police who strongly requested that a condition relating to provision of door staff be added to the licence due to the location of the premises in the Cumulative Impact Zone.
5. The representations made by the Council's EPU department who advised that a number of complaints had been received regarding noise originating from the premises, most recently in May and June 2011. Four conditions had been suggested, three of which had been accepted by the applicant but a condition relating to the closure of the rear garden after 23:00 was still in dispute.
6. The representations made in writing and at the hearing by local residents. They raised concerns regarding noise from the premises which often carried on until the early hours and originated from the garden and from inside the bar due to doors being propped open.

Members were presented with the following options:

- Option 1 Grant the licence in the terms applied for.
