Dear Sirs

Re: Licence Application for sale by retail of alcohol for Pizza Box
57 The Village Haxby

I wish to object to the above application on the following grounds:

- 1) There are two supermarkets in the village already with off-sale licenses open until late in the evening, the nearest of these less than 60 metres away. There is also an Off-Licence plus two public houses - all sited in the commercial part of the village. With these 5 premises already with licences, I really do not feel there is a need for yet another business selling alcohol.
- 2) The premises concerned in this application are situated at the edge of the residential end of the village rather than the commercial centre and is only a couple of doors away from my home.
- 3) I am really concerned that the availability of an off-sales license at these premises would attract additional rowdy behavior outside my home late at night - bearing in mind the fish & chip shop owner nearby decided to close earlier in the evenings for an extended period of time due to the problems of rowdiness they were suffering following pubs closure.
- 4) The premises applying for this license are next door to the said fish and chip shop which suffered a hold-up only 2/3 weeks ago as they were closing up for the evening. By giving a license to the proposed applicant, I believe this would further exacerbate the problems we already suffer.

I hope the council will understand my real concern and will reject the application totally

Yours faithfully

Dear Sirs

Re: Licence Application for sale by retail of alcohol for Pizza Box
57 The Village Haxby

I want to object to the proposed application for the following reasons:-

There are two supermarkets in the village with off-sale licenses and open until late at night. Haxby also has an Off-License and two public houses - all in the commercial part of the village. As these five premises already have licenses, I don't feel there is a need for yet another business to be selling alcohol.

The premises' requesting this application is situated at the edge of the residential part of the village and is in fact next door to my house. I am an elderly lady in my 80's living on my own and get quite frightened with all the noise and with youths congregating outside the chip shop and the pizza shop. I feel to give them a license will make my situation even worse as we have a lot of rowdy behaviour already with the police having to patrol the village more than they used to.

The fish & chip shop owner closed earlier in the evenings for a while because of the problems they were having when the pubs closed at night.

Also the fish & chip shop was held up as they were closing only 2 weeks ago and they don't sell alcohol. I hate to imagine what would happen if the Pizza shop which is next door to me suffered the same fate.

Yours faithfully
