Promotion of Licensing Objectives

7. The operating schedule submitted by the applicant shows that the licensing objectives would be met as follows:
8. General

12. The protection of children from harm:

- a) All staff will receive suitable training (including refresher training) in relation to the proof of age "Challenge 25" scheme to be applied on the premises. The following forms of identification are acceptable; photo driving licence, passport, Proof of Age Standards Scheme (PASS) card and any other locally or nationally approved form of identification.
- b) Till prompts are in use at the store.

Special Policy Consideration

13. This premise falls within an area that has been identified as one where the concentration of a significant number of licensed premises has a considerable impact on the licensing objectives. As part of a series of measures to address the problems of a city centre increasingly blighted by alcohol misuse, this area has been made the subject of a special policy that addresses the impact of the concentration of licensed premises in this particular part of the city centre. The Special Policy was approved by full council on 7th January 2011. A copy of the special Policy Statement is attached at Annex 3. A map showing the location of the premises is attached at Annex 4.

Consultation

14. Consultation was carried out by the applicant in accordance with s13, and s17 (5) of the Act and Regulation 42, Parts 2 and 4 of the Licensing Act 2003 (Premises Licences and Club Premises Certificates) Regulations 2005, which concern the displaying of a notice on the premises and an advertisement in a local paper giving details of the application and serving a copy of the application on all responsible authorities. The applicant complied with all statutory requirements. In addition the relevant ward councillors and/or parish council were notified by way of register.
15. All procedural aspects of this application have been complied with.

Summary of Representations made by Responsible Authorities

16. North Yorkshire Police made representation to the application on the grounds that it is believed that the licensing objective, the prevention of crime and disorder, would be undermined on the granting of this application. A copy of the representation is attached at Annex 5.
17. The nature of the representation is as follows. The proposed location of the premises is situated in the City of York Council's Cumulative Impact Zone (CIZ) which creates a rebuttable presumption that applications for new premises licences will normally be refused if relevant representations to that effect are received. The Police believe their representation is relevant due to the following facts –

- City centre stores of this type do generate crime;
- Street drinkers in the city do attempt to obtain their alcohol from stores of this type (both legally and illegally) which contributes to anti-social behaviour in the city;
- Late night revellers are often seen purchasing alcohol from stores of this type and attempting to 'smuggle' this alcohol into neighbouring city centre venues where consumption goes unchecked.

Summary of Representations made by Parties other than Responsible Authorities

18. There were no representations received from other parties.

Planning Issues

19. These premises are bound by the restrictions imposed by Planning permission 03/00558/FUL for the redevelopment of a number of shops on Spurriergate. Condition 13 of that permission reads as follows:
20. The A1 retail units shall be closed and vacated to customers beyond the hours of 0900 to 2100 hours Mondays to Saturdays and 1000 to 1800 hours on Sundays, unless an extension of these hours on specified dates is first agreed in writing by the Local Planning Authority.
21. Reason: in the interests of the amenities of the hereby approved flats'.
