The Shadow Executive:

- 1. Note that it has taken a long time for the minutes to appear before the Executive;*

53. REFERENCE REPORT: PUBLIC PLACES AND FOOTSTREETS

The Shadow Executive considered a report which was listed as item 7 on the agenda for the Executive meeting on 25 September 2007, at page 37. The report informed the Executive of a decision made by the Executive Members for City Strategy and Advisory on 16 July 2007 to review the City's footstreets and support the Minster's Heritage Lottery Fund bid with funding, and sought approval to allocate £250,00 from the Council's reserves from the 2006/07 underspend as part of this funding, in recognition of the significant economic benefits to the city of this proposal.

Having discussed the issues set out in the report, the following comments were agreed:

The Shadow Executive:

- 1. Welcome the expansion of the footstreets scheme in York, building on the previous administration's successful scheme;*
- 2. Note that there is a real need to increase the footstreets in peripheral streets such as Goodramgate;*
- 3. Highlight that there needs to be maintenance of the cycle route in the area of the Minster;*
- 4. Note that £250k is allocated through LTP2 to the project;*
- 5. Express the view that the call on reserves ought to be gauged against priorities in other parts of the city and note the neglect in other areas, such as Micklegate;*
- 6. Conclude that reserves should not be used, taking into account the budgetary position.*

RESOLVED: (i) That the Executive be asked to take the above comments into account when considering this item.

(ii) That the item not be called in.

1. *Note that the report fails to address the skills shortages of the 40 plus age group, especially following job losses at Terry's, Nestle, British Sugar and in the rail industry;*
2. *Highlight that it does not promote strategies for addressing income disparities and that information is still needed as to whether Science City York is producing intermediate jobs, which are better paid, for York residents;*
3. *Note that Core Strategy documents are not reflected in the report;*
4. *Note with concern the staff turnover and the failure of management to address the haemorrhaging of staff and the underlying causes of that within planning and city development.*

RESOLVED: (i) That the Executive be asked to take the above comments into account when considering this item.

(ii) That the item not be called in.

The report set out proposals for a refreshed Corporate Strategy, which set out the long-term direction for the Council, and also for an overall corporate planning framework.

Having discussed the issues set out in the report, the following comments were agreed:

The Shadow Executive:

1. *Welcome the change indicated at bullet point 4 of Annex A but have concerns that the additional objective relating to climate change is too vague and requires focus;*

The report sought Members approval of the Issues and Options documents for the York Northwest Area Action Plan and sought agreement to undertake public consultation on them. It also asked Members to delegate to the Director of City Strategy, in consultation with the Executive Member and Shadow Executive Member for City Strategy, the approval of any changes arising from the Executive's comments, and the approval of the final layout of the documents, the content of the Executive Summary, the consultation plan and the content of the accompanying consultation leaflet.

 - d) *To question 13 of the questionnaire, relating to leisure, to include reference to indoor sports and community facilities.*

RESOLVED: (i) That the Executive be asked to take the above comments into account when considering this item.
