

# What Young People need to help them cope

and only we know how much.

# Quotes from Young People in a York School

It's like a weight has been lifted off my shoulders. I am more confident and can make decisions for myself.

I am happier both in school and at home because I can deal with things.

When my life was full of difficulties, there were people in school who listened to me and helped me.

I have grown stronger because of this and I am not failing any more.

# Reducing Stigma

- ✪ People are fearful of things they don't understand
- ✪ Education can help to remove ignorance, fear and prejudice
- ✪ Diagnosis should be left to the professionals
- ✪ Teachers and young people themselves should be able to access specialist help
- ✪ Everyone needs tools/ knowledge to enable them to stay mentally healthy and cope with life's stresses

...so why don't we talk about it in schools?

# We realised...

- ✿ Pupils' School Work gets affected by a pupil's ability to deal with the things going on their lives:
  - bereavement,
  - terminal illness,
  - poverty,
  - bullying,
  - parents with drug problems,
  - parent loosing their job,
  - family break-up,
  - academic workload
- ✿ Young people need a safe supportive environment in which to learn and achieve;
- ✿ Specialist services need to be provided for everyone who needs them: so, we need to make sure we identify the people who need them.

York Youth Council is a body of young people that come from all over York to volunteer and influence decisions that affect every young person in York. We campaign for a more youth-friendly York and we represent young people from every background.

Every year, we choose what our three campaigns should be based on issues brought up by young people in our constituency.

# What York Youth Council are doing?

- ✪ We have created schemes of work. Six lessons on well-being each year covering different issues from Yr 7 -11
- ✪ We have commissioned a teaching resource to be part of the lessons
- ✪ We are part of the working group to create the mental health toolkit for secondary schools
- ✪ We have created a Mentally Healthy School Charter
- ✪ We want to recognise the achievements of schools as they progress through the actions on the Charter, with a tangible three-level, Minding Minds School Award
- ✪ We are feeding our ideas in to the nation UK Youth Parliament Campaign
