Equality and social inclusion: All carers will be able to access services and support.

Ensure information about carers ethnicity is appropriately recorded by City of York Council, York Carers Centre and all Carers Strategy partner organisations to inform future service planning.

Use existing contact mechanisms with BME, multi-faith and multi-cultural groups to identify the numbers of carers from BME communities and take appropriate action

City of York Council to review its equalities framework to ensure carers become part of all equality and inclusion work

Carers ethnicity now recorded by CYC and York Carers Centre

Work completed but no response to request to complete questionnaire.. Needs funding to complete targeted work.

York Carers Centre has place on Fairness and Equality Board.
