

Update on Implementation of Recommendations from Previously Completed Scrutiny Reviews

Summary

1. This report provides Members with a further update on the implementation of the recommendations arising from the previously completed scrutiny reviews which fall within the remit of this overview & scrutiny committee.

Background

2. Staff Sickness Absence Management Scrutiny Review
At a Scrutiny Event for Members in July 2011, the Committee agreed to carry out a scrutiny review on staff sickness, specifically to identify ways of reducing sickness absence levels across the organisation. The Committee agreed to set up a Task Group to gather information on the potential areas of focus for the review for the full committee's consideration.
3. In January 2012, this Committee received a scoping report for the review detailing the Task Group's initial findings and as a result, agreed the following objectives for the review:

Objectives:

- i. To revise the Council's Absence Management Policy & procedures to ensure they take account of iTrent, are in line with best practice, and written in a more formal assertive language;
- ii. To identify improvements in:
 - a. the provision of Management training
 - b. the induction programme for all new staff

- iii. To explore ways of introducing a change in culture within the workforce moving away from a policy of 'managing absence', towards one of 'encouraging attendance'.
4. Work on the review concluded in March 2013 and the final report was presented to Cabinet in May 2013.
5. In November 2013, this Committee received its first update on the progress made with implementing the approved recommendations, and as a result Recommendations (i) – (vii) were signed off as fully implemented. The Committee requested a further update on the remaining recommendations for this meeting- see Annex A.
6. Customer Engagement Scrutiny Review
In September 2012, having considered a scrutiny topic submitted by Cllr Barnes on 'Engaging the Disaffected', the Committee agreed to undertake a scrutiny review to look at the issues affecting levels of community engagement across the city, in the following three areas:
 - i. Community Engagement
 - ii. CYC Customer Services
 - iii. Financial Inclusion
7. A Task Group was set up to scope and carry out the work on the review on behalf of the full committee, and following some initial investigation, the following review remit was agreed:

To identify ways of empowering people and improving community engagement

Objectives:

 - a. To improve communications between CYC and Parish Councils
 - b. To improve communications in non-Parish Council areas.
8. The final report and the review recommendations were presented to Cabinet in June 2013, and the first update on the implementation of those recommendations was presented to this Committee in November 2013. Having noted the information provided, the Committee chose not to sign off any of the recommendations. Instead a further update was requested for this meeting - see Annex B.

Council Plan 2011-15

11. In regard to the Staff Sickness Absence Management Review, the Council Plan recognises that staff are the most important resource of the Council and without whom it could not deliver its services and priorities.
