

Feedback from Attendees	CYC Responses provided by relevant officers to the Task Group in September 2014			
<ul style="list-style-type: none"> We need to know publicly what happened to the 'One City Strategy' – we need to see an action plan or be formally updated on what happened to it 	<p>The Council is currently refreshing the York Equality Scheme and the Fairness and Equalities Board has suggested that as part of this refresh, the Scheme is broadened out to become a city-wide document. This will be called 'The One York Strategy' and will replace the One City Strategy. It will go to Cabinet in December 2014 for approval and then to Without Walls, via the Fairness and Equalities Board. (Assistant Director - Communities, Culture and Public Realm)</p>			
<ul style="list-style-type: none"> We need to see that the Health & Wellbeing Board is actively developing a plan for tackling health inequalities. 	<p>The Health and Wellbeing Board is in active discussions with the Fairness and Equalities Board (FEB), part of the Without Walls local strategic partnership, to ensure that clear lines of strategic accountability for health inequalities can be developed, and the potential for overlapping or conflicting remits minimised. The FEB has been asked to consider formal affiliation to the Health and Wellbeing Board, and while such discussions are continuing, we expect to be able to come to a resolution by the end of the year. (Strategic Support Manager - Adults and Public Health)</p>			
<ul style="list-style-type: none"> We need to see an action plan associated with the 'York Embracing Diversity: Hate Crime Strategy' in place and being implemented by all agencies 	<p>A detailed response to this was provided by the Head of Community Safety – see Annex E</p>
