Dear Sirs,

Archbishops Junior School, Bishopthorpe

In respect of the above application for an entertainment licence, I am formally making representation against it on behalf of the 19 persons per the attached list, [REDACTED] and myself.

A total of 21 persons resident in the Coppice.

This representation would propose and insist that any licence granted be restricted as follows :-

- 1) Activities to cease by 22.00 hrs.
- 2) To exclude any activities on a WEEKEND, BANK or STATUTORY Holiday.
- 3) A sound restricting system be installed, as normally specified by CYC when granting entertainment licences, and initially set and sealed by the appropriate officer.

Yours faithfully,

[REDACTED]

Dear [REDACTED]

Re: Your Representation to the Council Licensing Department.

The list of neighbours who are in support of the representation is:-

PETITION CONSISTING OF 19 SIGNATURES.

ALL RESIDENTS IN THE COPPICE.

Points that have arisen during discussions which you may wish to add:-

- 1 Notice not displayed where the people most affected would see it. (Spoke to a resident of Copmanthorpe Lane who had no knowledge of the application !!!!)
- 2 Parking in Copmanthorpe Lane is very restrictive, there may be overspill into surrounding streets and cul de sacs.
- 3 Smokers generating noise OUTSIDE the school buildings.
- 4 There are at least 3 other venues which could accommodate such functions in the village.
