Subject: License application agenda - Rufforth primary school -
CYC-013536 - 19th November

Dear Ms Wallis,

re. License application ref. CYC-013536
Rufforth Primary School, Wetherby Road, Rufforth
date of hearing 19/11/07

Agenda additions

Following our telephone conversation earlier this week when you kindly clarified some procedures, I would like to add two further points to our original letter of 28th October (acknowledged by your department on the 29th).

1. We are concerned that where granted, a licence might permit activity until 2300hrs. However, if applied, there would be a discrepancy with the planning consent for Community Hall activities at the school which strictly limits all activity, including dispersal from site, to cease by 2130hrs.

2. If the licence application overlaps with that for the Community Hall which is physically an integral part of the school, we believe that more people would have been sufficiently alarmed to record their concerns.

Yours sincerely,
