

Board and Topic	Rec No.	Recommendations as approved by the Executive on 13 February 2007	Update on Implementation of Recommendations as of November 2007
<b>Commercial Services Scrutiny Board - Recycling &amp; Re-use (Review Completed September 2006)</b>	1	<p>That further consideration be given to the Hazel Court site and surroundings with a view to applying additional spatial – i.e. site linked site facilities - features in partnership with others as per the Site Model based on Waste Hierarchy Principals in the report. Officers to prepare a report for the next meeting of the Executive detailing the proposed roll out arrangements for the cardboard collection service to the remaining 40,000 properties on alternate weekly collection, to ensure that this system maximises the diversion from landfill which can then be re-invested into the service for expansion to new areas</p>	<p>Cardboard collection to a total of 60,000 properties successfully rolled out on March 2006. Significant landfill diversion has been achieved as a result.</p>
	2	<p>That the City of York Council should consider the roll out recycling in Terraced Streets adopting the following good practice :</p> <p>i. Use slimmer recycling boxes with a smaller footprint for such areas to reduce impeding pedestrian use of pavements Officers to prepare a report for the next meeting of the Executive detailing the communication strategy for the Winter collection System and examining ways in which this can be done to reduce costs which can in turn be invested into the recycling service.</p> <p>ii. Ensure that changes to such services are communicated better to disabled people well in advance of the change and that this could be facilitated by using relevant advisory groups Officers to work with Equalities Officer to devise test schemes for box collection schemes in the City</p>	<p>Executive agreed 9/10/07 to begin trials in terraced areas. Various types of containers are to be tested during this trial. Equality issues will be addressed.</p>
	3	<p>That the City of York Council be recommended to consider paying Re-use Credits. That prior to the introduction of a scheme, Waste Strategy Officers at the City of York Council prepare a report for Member approval detailing;</p> <p>i. Best practice schemes already running at other Local Authorities including information about the effectiveness of the North Yorkshire County Council scheme</p>	<p>Re-use credits have been reviewed and considered too complicated to implement. There are issues that following re-use the product still has to be disposed of.</p>

Board and Topic	Rec No.	Recommendation as approved by the Executive on 7 November 2006	Update on Implementation of Recommendations as of November 2007
<b>Commercial Services Scrutiny Board - Recycling &amp; Re-use (Review Completed September 2006)</b>		ii. The likely cost impact of credits upon the authority iii. The terms of an appropriate scheme	
	4	That the City of York Council be recommended to consider paying Re-use Credits for the Bike Rescue Project. Officers to develop ways for improved working with the Bicycle Recovery Project at the Household Waste Recycling Centres.	This is on-going
	5	That further cross corporate work be done with the project managers and officers in Education, Youth Offending, Equalities and Sustainability and to ensure benefit from potential funding opportunities The recycling team to continue to co-ordinate applications for funding which can be utilised corporately from external sources	Work continues with these officers.
Previous comment from SMC as of 26 February 2007: Executive have only recently considered and approved these recommendations therefore to soon to report on their implementation. Suggest update in November 2007
