Part B - Matters Referred to Council

60. Draft Council Plan 2015-19: Report on the Consultation Exercise

[See also Part A minute]

Consideration was given to a report which summarised the findings of the recent consultation on the Council Plan which would set out the Council's priorities during the 2015 to 2019 period.

It was noted that the consultation had identified two areas of under representation and the need for York to take more of a leading role both regionally and nationally. These points had been incorporated into the Plan at Annex B of the report.

Officers confirmed that, following Council approval, the Plan would be made available to residents, businesses and stakeholders and the priorities embedded in Services Plans.

Recommended: That Council adopt the draft Council Plan for 2015-19.

Reason: To ensure that the Council Plan is adopted by Council to inform service delivery of the priorities set out in the Plan.

Cllr C Steward, Chair
